Collins asked if the proper venues had been notified of this called meeting. Collins said he and Best were also under the impression that the paper had been notified on Friday afternoon [August 25, 2006]. Collins said he had given the phone number to the radio station [WBTR] to Zoning Technician Rita Peele for notification of this meeting. Collins asked that the record reflect the satisfaction of legal requirements. Mecklin said he had also seen a notice posted on the door of the police department. Best noted that the meeting was posted at City Hall as well. Collins instructed that the record reflect that the Council and Mayor believe they have satisfied, in good faith, the requirements for this meeting.

Collins asked for any other City business; there was none.

There being no public present, Collins did not open the floor for public comment.
