

**NEW LANDSCAPE INSTALLATION
BY PROFESSIONALLY LICENCED LANDSCAPER
OR HOMEOWNER**

**Ten Week Outdoor Watering Exemption
Modified Drought Response Level IV**

New landscape installed by professionally certified or licensed landscapers or by a homeowner may be watered during installation and ten weeks following installation. Professional landscapers must be certified or licensed for this exemption to apply. Watering is only allowed during the permitted hours, from midnight to 10am.

Drought response levels are subject to change and this exemption may become prohibited by State declaration. Please check the "Notices" menu at the City's website, www.villarica.org.
