The City of Villa Rica is NOT RESPONSIBLE for any water damage or flooding mishaps that may occur when water is turned on.

If your water meter is a radio-read meter, there is a cylindrical antenna attached to the meter box lid which can be broken when hit with hard objects such as a lawn mower. **You are responsible for damages to this antenna and will be charged \$150 replacement cost if damaged.**

Water bills are mailed out by the first of the month and considered delinquent if not paid by 5pm on the due date. Failure to receive a bill does not absolve you of payment responsibility.

Any account that is PAST DUE will be cut off for non-payment. Once account is terminated, and if not paid by 25th of following month, it will be turned over to a collection agency for collection and is subject to a minimum \$13.95 or 25% of bill collection fee.

***Please note: it is always next day service to have your water connected.**
