Cut-ons are normally next day service. If you wish to be present, an appointment can be made.

THE CITY OF VILLA RICA is NOT RESPONSIBLE for any water damage or flooding mishaps that may occur.

If your water meter is a radio-read meter, there is a cylindrical antenna attached to the meter box lid which can be broken when hit with hard objects such as a lawn mower. **You are responsible for damages to this antenna and will be charged \$150.00 replacement cost if damaged.**

Water bills are mailed out by the first of the month and considered delinquent if not paid by 5pm on the due date. **Failure to receive bill does NOT absolve you of payment responsibility.**

Any account that is PAST DUE will be cut off for non-payment. Once account is terminated, and if not paid by 25th of following month, it will be turned over to a collection agency for collection and is subject to a minimum \$13.95 or 25% of bill collection fee.
